Staff reported to the Commission a proposal of \$1,580 received from Colorado Seamless Gutters for installation of gutters around the perimeter of the house in Grasso Park. The group has prioritized completion of the work at this location, but would also like to obtain pricing for gutter installation on just the east side of the Museum building.
7. Discussion – Museum Displays. Commission member Katie Olson along with volunteer Allyn Jarrett are preparing a new Museum exhibit "The Exceptional Miss Oerman & The History of Superior's Schools" which will be displayed

 9. Discussion – Meeting with Norm Kellett. Larry Dorsey, Errol Waligorski and Norm Kellett, Fire Marshall for the Lafayette Fire Department, recently met to discuss the Town's historic fire truck. Norm provided a wealth of information and old photos of the truck from when it was in Lafayette's possession. Norm has an interest in having the truck transported to Lafayette's station for a day, taking a few photos and testing out the truck's water pump. The group along with staff will consider his request and may accommodate his request in the future.
 10. Discussion – Cemetery Tour. The group has set a tentative date of October 22 for hosting its annual Tombstone Tour at the Cemetery. Questions and concerns on accessibility to the Cemetery will be looked into prior to the September meeting and discussed at that time.
 11. Discussion – Museum Security. A few members brought to the group's attention recent loitering taking place by local teenagers at the bottom of the Museum stairwell. The Boulder County Sheriff's Office has been made aware of the activity and will increase patrols in the area.

Next Meeting: September 16, 2016, 10:00 a.m. at Town Hall.
